

Carburetor restoration

I would like to have the following carburetor restored

Article number: _____

Description: _____

Customer details

Name: _____

Customer number: _____

Order number: _____

Phone number: _____

Is there anything we need to know about your carburetor?

How to proceed:

1. Place an order in our webshop or via customer service.
2. Send your carburetor to us.
3. If possible, attach this form. If you do not have access to a printer, it is fine to write your contact information on a piece of paper. Be sure to always include your name and order number.

Send your carburetor to:

VP Autoparts AB
"Carburetor Restoration"
Industrivägen 7
513 32 Fristad
Sweden

Carburetor refurbishment usually takes about 3-4 weeks from the time we receive your unit. During peak season, delivery times may be slightly longer than usual. For current delivery times, please check our website or contact us.
